

Letter to the Editor

Buffalo Lake P&R District

I would like to thank the more than 50 people that attended the Buffalo Lake Harvesting Committee meeting on Saturday, January 13. The main objective was to openly discuss the 2018 harvesting plans and any changes that would benefit the overall navigation on Buffalo Lake. We had many good comments and suggestions and the result is a detailed plan in place—something that we have not had in the past.

It was refreshing to see and hear the concerns, comments, and suggestions on how we all can be a part of improving Buffalo Lake.

Scott Preuss, Harvesting Operations Leader would also like to personally thank all of the support and kind words that he received in the harvesting crew's attempt to take the lake in a better direction.

We hope to see this impressive turnout at our Quarterly District meeting, which will be held on Saturday, February 10, 2018, at the Packwaukee Town Hall.

Sincerely,
Thomas Ogden
